Action Plan for Your Teagle Project Model

Over the course of the 3-day launch, your team will begin planning the design of your institutional-specific model for using JUHAN to equip students to address “great questions” of meaning and value, and of moral responsibility.

As a team, please discuss the various aspects of your plan and complete the table below.

- It is important for your team to consider your short-term (by semester or academic year) and long-term plans (over the course of the 3-year project).

<i>What?</i>	<i>How?</i>	<i>Who?</i>	<i>When?</i>	Outcomes	Resources
Objective(s) What is to be accomplished?	Actions steps needed to achieve objectives	Who is responsible for each task?	Timeframe When will each task be completed?	Products/ Results	e.g., professional development needs

<i>What?</i>	<i>How?</i>	<i>Who?</i>	<i>When?</i>	Outcomes	Resources

What are your team's next steps? (e.g., schedule future team meetings):

What is your team's communication plan? (ways you will communicate your progress with the other teams and on your campus with project stakeholders).
