*** GERMAN CLUB ***

The Deutscher group met on Wednesday and carried on a lively meeting. Tom Davis gave an excellent talk on the German people and soldiers whom he had met. A pro and con discussion followed, in which Mr. Stuart vigorously partook. The meeting ended with the singing of Christmas Carols in German.

A subversive movement is being started to have the club supply towels to the members when singing. The spray is heavy when the harsh, throaty sounds are pronounced.

*** \$ \$ \$ \$ ***

We would remind the dance committee to use a little 'horse sense' in getting an orchestra, and not to exceed their financial limits. There have been rumors of spending up to \$400 on music alone.

*** TO PONDER OVER ***

At the last meeting of the Student Council, the suggestion was brought up to form a school-sponsored club or clubs (other than our language academies) to bring the student body into a closer acquaintance. There is little school spirit present now, and such clubs would do much to build the morale of the students. But, the formation of such clubs is up to the student body itself. A pleasant student body makes a pleasant school.

*** FRESHMAN COUNCIL ***

The bulk of this week's meeting was centered in an all-important discussion of class dues. Fr. Langguth sanctioned the motion and plans were formed to support different charities through a class treasury. A due of \$2 a student would support contributions.
